Dear FlipStar Gymnastics Academy Supporter:

I am writing to extend an offer that will hold benefits for your business and help to showcase your support of young athletes. FlipStar Gymnastics Academy Booster Club is now seeking sponsors for the competitive 2023-2024 season. We hope we can count on your support!

FlipStar trains an excellent competitive team. To continue FlipStar's success, we need your help. It is through the generous support of local businesses like your own that our gymnasts have had the opportunity to participate in this sport and to learn life-long lessons about fairness, fitness, fun, cooperation, winning, losing, grace, and dignity. The funds pay for competition entrance fees.

Here is how you can help! Become a sponsor and help support our team. The benefits of sponsorship come from the joy of knowing that your investment in these young athletes makes a difference in their lives, and from the patronage they and their families will provide to your business in return. In addition to our competitive teams, FlipStar Gymnastics Academy has over five hundred students enrolled in the recreational program, which could easily translate into an investment for your business.

If you are interested in sponsoring our competitive team, please return the attached sponsorship information form with a check made payable to: [FlipStar Gymnastics Academy Booster Club](#). Thank you for your consideration of a sponsorship for FlipStar Gymnastics Academy Booster Club. We hope you will see value in sponsoring this great team and view it as an excellent way to give back to your community even as you gain terrific benefits along the way.

Thank you,

FlipStar Gymnastics Academy Booster Club
